060508 019	Purpose of Meeting	The purpose of the meeting was to discuss details of the "interiors" project that will be undertaken in response to the church receiving a CPA grant.	
060508 020	Scope	The general scope involves the 1834 church and includes the interior redecoration/conservation of the sanctuary, refurbishment and finishing of the choir loft, refurbishment of the "museum", lighting changes in the stairwells, a fire detection system in the sanctuary, window restoration and handrails for the pulpit. Exterior work is to include the north and south sides of the 1834 church, cornerboards, gutter and downspouts, egress hardware on the north and south doors at the narthex, and trim. It is planned to include west wall and north wall reshingling. The work is expected to cost about \$300,000.

Item	Item	Action	Who
060508 021	Fire Alarm	The person who is familiar with the fire detection system is Rick Greenwood, a security systems consultant, 800 244 1224.	
060508 022	Trompe l'oeil	The redecoration of the sanctuary ceiling and walls was, according to the record (and supported by HABS photographs) done about 1970. Considering the potential value of the decoration, David suggested that Christine Thomson, an Art Conservator, visit the building and render an opinion as to the viability of conserving the tromp l'oeil as opposed to repainting. David is coordinating some potential days for a visit.	
060508 023	Proposal for services	David will submit a proposal for services.	
060508 024	Research	Latest research regarding the "interiors package" can be seen at dmhprojects.com/	
060508 025	Adjournment	The meeting adjourned at approximately 2:00 pm
