<b>Item</b>	<b>Item</b>	<b>Action</b>	<b>Who</b>
051508 016	<b>Background</b> The CPC submission of c-2006 identifies the painting of the ceiling and walls in the tromp l'oeil fashion in 1970; "Major restoration. redecoration of interior with tromp l'oeil, and original ceiling reproduced."  This submission also identifies the artist; "Artist Walter Sampson. Nantucket Historical Trust assisted along with others." Further, the submission identifies the architect as "W. Philip Graves", and the contractor as "Howard Jellome". It is not known if the church has any drawings or specifications by Graves.  This indicates that the decoration is 38 years old.		
051508 018	<b>Recommendations</b> 1. Determine if the church or other body has the drawings and specifications for the 1970 decoration, determine the type of paint used, and the precedent for the decoration.  2. Have a conservator examine the paint to determine if it can be cleaned as opposed to repainted.  3. The remainder of the work can be accomplished in a straightforward fashion.		
051508 019	<b>Additional Information</b> Bob Olson to send David Hart the CPC Application #2		
051508 020	<b>Adjournment</b> The meeting adjourned at about 1:15 pm
