Re: Bidding

Dear Tom:

The church has decided to take the Base bid and Alternates 1, 2, 3, 4 and 5. Would you please verify your bid and give the cumulative price for taking the base bid and these alternates, considering staging and efficiencies.

The church has identified a potential 3 bedroom house that would be available October 1, 2007 through at least May 2008. Could you please identify the price reduction if this house was made available to you for this time period with all utilities and heat provided.

I would like to have the final price by the end of the day Tuesday, September 25, 2007.

Also, the church may take alternative 6 at a later date. Please identify the time period that your price for this alternative will remain in force.

Sincerely,

David M. Hart, AIA, Principal
