Re: First Congregational Church Nantucket

Dear Jeff:

This letter will serve as our agreement for architectural services at the church structure. David Hart will inspect the exterior and interior of the building, concentrating on the exterior. He will then write a report detailing the existing conditions, deficiencies, and corrective measures necessary to restore the church to proper conditions. The report will be illustrated and contain line item estimates of probable cost to restore the finishes and systems.

The deadline for submission of the report is Monday, October 23, 2006. David Hart is scheduled to visit the site Thursday, October 19, 2006, and write the report for submission by Monday, October 23, 2006.

The fees for the work will be billed at \$150.00 per hour and are not expected to exceed \$3,000.00. Travel expenses will be billed at cost.

Agreed this \_\_\_\_\_ day of October, 2006:
